English	B1	B1	B1	B1	B1

Communication skills

- Over 30 years of experience in effectively conveying knowledge to students with diverse learning levels and styles
- Ability to simplify complex concepts and make them accessible and engaging
- Use of interactive teaching methods: debate, discovery learning, teamwork
- Experience collaborating with academics and institutions from multiple countries through international programmes
- Adaptation of educational content to multicultural contexts
- Active participation as representative or volunteer in several non-governmental organisations
- Drafting of communication materials: reports, projects, community information documents
- Experience in public presentations, workshops and community events

Organisational / managerial skills

Leadership and Coordination:

- Over 15 years of experience as Department Head, directly coordinating a staff of 15–20 academic personnel
- Management of the department’s teaching, administrative and institutional development activities
- Proven ability to motivate teams, delegate effectively and monitor performance

Institutional Management:

- Representing the department in relations with institutional leadership and external partners
- Active participation in institutional audit processes – documentation preparation, team coordination and implementation of resulting recommendations
- Coordination of quality evaluation and assurance processes at departmental level

Project Management:

- Leading teams in research projects: planning, resource allocation, progress monitoring and final reporting
- Simultaneous management of multiple projects with different deadlines and requirements
- Interdisciplinary collaboration in mixed teams (researchers, academic staff, external partners)

Organisation and Planning:

- Short-, medium- and long-term planning of teaching and research activities
- Efficient management of available human and material resources
- Prioritisation and rapid decision-making under high workload conditions.

Job-related skills

- In-depth knowledge of scientific research methodology – acquired through research projects and interdisciplinary collaborations throughout an academic career
- Strong competences in curriculum development and revision – built through direct involvement in designing departmental study programmes
- Practical experience in designing and applying assessment and examination instruments – developed over 30 years of teaching and as Department Head
- Ability to write project proposals and funding applications – developed through participation in national and international projects, with experience in structuring dossiers, justifying objectives and meeting funder requirements

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Experienced User	Independent user	Independent user	Independent user	Independent user

Office Tools:

Microsoft Office – Word (complex document drafting and formatting), Excel (data processing, tables, reports), PowerPoint (academic and professional presentations) – intermediate-advanced level

Educational Platforms and Online Communication:

E-learning platforms: Moodle, Google Classroom – course creation, content management, online assessment

Professional communication via Zoom and Microsoft Teams – online lectures, meetings, webinars

Academic Research and Documentation:

Use of international academic databases (JSTOR, Google Scholar) for research and documentation

Experience in managing and formatting bibliographic references

AI Tools:

ChatGPT, Claude, Gemini – used for educational and teaching purposes

Institutional Management Systems:

- SUMS platform

ADDITIONAL INFORMATION

Publications Teaching, scientific and outreach publications in the form of books and articles in the fields of botany, ecology and environmental ethics.

Projects CNCSIS Type A (5), CNCSIS TDI (1), HURO (2), POS-Mediu (3), POIM (2), SOCRATES (3), TEMPUS (2), Interreg Danube (1)

October 2nd, 2026, Timișoara
